Exemptions cannot be transferred from a state licensed facility to a county licensed facility or from county to state. **The transfer must be approved by the Department before the individual who is the subject of the transfer has client contact or the facility will be in violation of the law and subject to a \$100 civil penalty.**

The license applicant or licensee who is seeking the exemption transfer must verify the individual's identity and include a copy of the person's driver's license or a valid photo identification issued by the California Department of Motor Vehicles or by another state or the United States government if the person is not a California resident. Additionally, a Child Abuse Central Index (CACI) check must be submitted if the exemption transfer is to a facility serving children and the individual has not previously submitted a CACI check or the date of the previous CACI inquiry was prior to January 1, 1999. The CACI must be mailed directly to the Department of Justice with the applicable fee.
